TEAMMATE BOUNTY PROGRAM

The TeamMate Bounty Program has allocated 15,000,000 (1.5% of the total supply) TeamMate Protocol (TMP) to help spread awareness of our project. Through a tiered bounty/airdrop system, this program aims to target all fitness and blockchain participants through a variety of tasks centered around community development. Participants will be able to earn TMP via the various distribution pools mentioned below.

In order to qualify for TeamMate Social Bounties, participants must register to become a TeamMate Ambassador. Verified participants will be delegated a variety of tasks in order to earn additional TMP. All ambassadors will be invited to join the TeamMate Ambassador Telegram channel to gain access to our Master Spreadsheet in order to keep track of stakes throughout the process. To proceed, apply for our whitelist.
